Undoubtedly the best Tweenies disco yet. The event was absolutely sold out.

The theme had tremendous potential and the kids embraced the dress up completely.

My most sincere and heartfelt thanks to Bianca Crawford for getting that dance floor grooving like it's never grooved before. With her team of hip hop dancers she led the party the entire evening, ensuring zero dull moments whatsoever.

Cocktail barmen were full of tricks again and enthralled the children who lined up for their non-alcoholic beverages that had been flared and flung through the air.

Country and Western themed Coffee & Chat morning

For those who braved the chilly morning, the Coffee & Chat morning with beginner line dance demo and class was thoroughly enjoyed by the few that participated in the restaurant with the roaring fire. Thank you Bianca Crawford for pouring passion and effort into our community. We so appreciate you!

Kids Night of FUN

Photographs by Chantel Bester

... And what (extreme) fun it was! There wasn't a kid that night that didn't have the time of their lives. From confidence building individual games to hilarious team building games, to dance off's and sing off's, Bianca always knows exactly where to pitch the fun so that it exceeds all expectations. The night just wasn't long enough, and the kid's just didn't want to leave!

Thank you amazing Bianca Crawford for taking entertaining children to a whole new level. I can say without a shadow of a doubt that all the children that were there will most definitely not miss the next NIGHT OF FUN. Now that's what I call sweet success!

EVENTS FEEDBACK

Photos & Stories

Ladies Line Dancing for Santa Shoebox

There was not a single person who didn't have an absolute hoot of an evening as the dance floor teamed with boot clad feet, grooving to the beat of Bianca Crawford's most incredible moves, expertly choreographed for even the most beginner of line dancers.

My most heartfelt appreciation to the remarkable Rawson team for sponsoring the evening, to our wonderful Dulce Café for their kind sponsorship of a truly delicious dinner with soft drinks and cocktails, to Bianca Crawford of bMoved, for pouring her heart into the dance floor, and leading the evening so professionally. To every single person who bought a R150 ticket to the event – every cent of which went to the Santa Shoebox project to enable the project to give Christmas presents to children in facilities who otherwise wouldn't receive gifts on Christmas morning. Thank you Featherbrooke, for always showing such a generous spirit!

To Michell Rabie, whose enthusiasm, tenacity and endurance shines as she faithfully carries out every detail required to make this project happen in every way that she can. This is a massive feat, and Michell tirelessly works behind the scenes to make this magic come together for underprivileged children. Michell, you are one of a kind. I just love working with your genuine heart for others. Thank you for everything you did to make this evening come together. I can't wait to do this again – a few more times!

Pop Star Tweenies Disco

Another raucously fun evening of good, solid, energy-expending partying to the beat of Bianca Crawford's well renowned dance floor leading.

Delicious, fresh-out-the-oven slices of pizza for the kids with Bos ice tea to quench some big thirsts. Thank you Dulce team for always being so willing to set up and clean up (!!) after us.
